Forging Partnerships

• Seeing a clear need
• How can the library best serve that need?
• How can we make this fun and attract students?
  • Promote healthy behaviors
  • Fun activities

Engagement
Results

- Over 200 students attended (2014, 2015)
- Students built closer relationships with UPD and other groups
- There were no EMeRG alcohol-related runs on our campus for Halloween weekend, or for the rest of the semester
- Awareness/attendance increased for wellness programs, counseling services
- Partnerships formed led to additional wellness programming in the library
GW Strategic Plan

Vision 2021
Objective 4:
Through tools, spaces, consultation, and collaboration, help the GW community explore, create, and discover information in new ways.
