The **Eating Disorders Information Gateway** (EDIG) provides a user-friendly interface to meet the informational needs of the eating disorders community. It contains a citation library of resources on eating disorders prevention, diagnosis, treatment, insurance and legislation. All content in the EDIG is organized by keyword to help patients, families, and professionals better understand these conditions.

### Topics include
- All official eating disorder diagnoses, including anorexia, bulimia, EDNOS and binge eating disorder
- Other disordered eating behaviors and syndromes, including night eating, pica and Prader-Willi Syndrome
- Related areas of study, including body image and body dysmorphia, self-esteem, weight-based bullying and Health at Every Size®

### Resource types
(numbers as of February 9, 2015)
- Articles from medical journals (13,035)
- Articles from organizations and treatment centers (327)
- Books/Monographs (392)
- Informational handouts (140)
- Policy papers (72)
- Creative works (poetry, music, plays) (9)
- Documentaries and other educational videos (35)

---

**Historical overview**

- **Spring 2008**: Millie Plotkin writes proposal for a National Eating Disorders Clearinghouse
- **Summer 2012**: Millie founds the Eating Disorders Information Gateway as a 501(c)3 non-profit organization. Initial funding comes from an IndieGoGo crowdsourcing campaign
